Iceland Experience – Geography trip

Join us on a journey to the land of fire and ice.

Iceland is home to stunning mountain ranges, bubbling volcanoes, vast glaciers and powerful geysers, making this destination a Geographer's fantasy! A trip to Iceland is a once in a life-time opportunity to explore magical and ever-changing landscapes, from vast areas of wilderness to luxury geothermal lagoons, Iceland has it all.

During our 4 day (3 night) trip of Iceland (Sunday – Wednesday), students will have the opportunity to explore this fascinating tectonic island whilst learning directly in line with the Geography curriculum, complete with the expertise of a local guide and designated subject specialists. From the moment we depart Manchester Airport to the second we return, our journey will be jam-packed with the very best experiences that Iceland has to offer, including a visit to the Secret Lagoon Thermal Pool, a guided ice-hike up the Solheimajokull Glacier, a hands on experience at Iceland's LAVA centre, a journey through the Raufarholshellir Lava Tunnel, as well as visits to popular waterfalls, black sand beaches, volcanoes and so much more!

Students will stay in 4-star accommodation complete with a pool and games room, be transported to locations around the island on a private coach, and fed at our private dining area within our hotel. The cost of this trip also included return flights and baggage from Manchester Airport."

The cost of the trip is estimated to be £1100.00 for more details email

Science in Paris!

Beautiful Belgium!

Join us on a trip to the Kingdom of Belgium.

Famous for Waffles, Chocolate and Fries.

We are planning a 4-day/3-night residential stay where we will visit the famous cities of Brussels, Antwerp and Bruges.

Day One: After exploring the Grand Place (and seeking out the Waffle stands) We will visit the fascinating Atomium, the most popular tourist attraction in Brussels, we'll also explore Mini Europe and then get to see the famous Belgian Chocolate being made at Planete Chocolate (and hopefully get a taste)!

Day Two: We will explore the fascinating city of Antwerp, the hub of the diamond industry and home to the 2nd largest port in Europe. There, we will also visit the MAS Museum (The MAS aims to be an international and pioneering museum about the global connectedness between people and collections from different cultures and environments. With a river of tales, viewed from multiple perspectives, we engage everyone to be curious about the present, past and future of Antwerp and the world.) We will also do a spot of sightseeing, soaking up the Antwerp atmosphere before taking a look around the Coca Cola plant and visitors centre.

On day three we will travel to Bruges (the Venice of the North) for a boat cruise along its famous canals, before returning home.

It promises to be a great trip packed with fun, culture, sweet things, breath-taking views and architecture, fascinating sights and a fantastic experience for all.

The cost of the trip including travel and full board accommodation will be around £460. We will leave on Sunday 16th July, returning on Wednesday 19th July 2023.

The estimated cost for this trip is £500 per person For more details please email matthew.woodcock@marplehall.stockport.sch.uk
