

October 2023

Dear parents and carers,

I wanted to get in touch before the end of a busy half term.

In the last six weeks, we have had our first "Focus Fortnight" of Honesty, our busiest Open Evening in memory and watched the amazing and sparky students who made the school production of "Bugsy Malone" so absolutely enthralling. There has been the extra-curricular activities that have been attended by so many students, the return of our "Pomodoro" independent revision sessions for our Year 11s and confirmation from OFSTED that your children, our students and the team at Marple Hall School are all as great as we know they are.

We have achieved so much already in these seven weeks and we are grateful for the support of parents and carers along the way.

After half term, there will be some changes to the way we communicate with parents and carers and how you can communicate with us.

From November onwards Edulink will only be used for outgoing communications from school to home. Families will be able to reply to an Edulink e mail using Edulink but will not be able to initiate a conversation using that platform.

If a parent or carer needs to contact school electronically then the normal e mail messaging system must be used. To help with this, we have updated our staff list and e mail addresses on the school website to make it clear who to contact. If you are unsure who to direct your query to, please e mail info@marplehall.stockport.sch.uk and they will forward your e mail to the most appropriate member of staff.

[Staff List - Marple Hall School](#)

The reason for the change is to make sure the right people are seeing the right messages, which has been an issue up to now with Edulink. We wanted to make this clear before half term so that everyone is aware of how to communicate with school going forwards.

Best wishes,

Claire Gregory.

Deputy Headteacher.
