

June 2024

Dear Parent or Guardian,

I hope this email finds you well. We are excited to inform you about an upcoming event at school "Spark Day 2024." This day is a unique and special occasion on our school calendar, celebrating sports, the creative arts, inclusivity, and diversity. It promises to be a fun and thrilling end to our school year for both students and staff.

Spark Day will take place on Friday 12th July, during the afternoon of our normal school day. The day will feature a variety of activities, including a traditional and 'retro' sports day, musical performances, and a range of stalls organised by students from different forms. Throughout this week, students have been busy creating their own stalls for the event.

One of the key aspects of Spark Day is its role as a fundraiser. The money raised will be divided between charities chosen by each year group and extracurricular activities within the school. This year, Spark Day will be a cashless event, and we will be using a token system for all the stalls and activities. Each token will have a value of 50p and can be purchased through School Gateway in bundles of £2, £5, and £10. Tokens must be purchased by Friday, 5th July, and students will receive their tokens in form on the morning of the event.

In addition to Spark Day, we will also have our annual Spark Night, which celebrates creative arts, technologies, and all the spark within our school. Spark Night will be held on Thursday 11th July, and families are welcome to attend an evening of performances, speeches, music, art exhibitions, and stalls. Tickets for Spark Night are £5 and can be purchased online at [this link](#). More information is available on the school website.

We are very excited about both events and hope you can attend Spark Night to see all the wonderful things we have been working on. Thank you for always supporting our school activities. We look forward to sharing all the fun and excitement of Spark Day and Spark Night with you.

Yours sincerely,

Marple Hall School
